

**TIME**  
**2012**

ALFIO FRISINA

1800x1200 mm  
Digitalpainting,  
under acrylic glass

Edition: 3

Time

The work „Time“ shows us the complexity of life in the sense of time relations. The visual compression of events happening in succession symbolises the endless and unstoppable running time stream, in which we find ourselves.

„Time“ grants the viewer a glimpse of the notion of the past, the present and the future of the observer in the foreground. The visitor is incorporated into this testimony by means of reflection, and the story depicted is now part of him.
